Website : www.worldrenaissancefaire.com

Please mark your calendar on August 8th and 9th 2009 for the “World Renaissance Faire, at the beautiful Irvine Lake in Silverado, California, a community focused event that is in itself guided by the community!

Our goal is to return to a local celebration of community with an old world charm from the past and the fun of fantasy for creative play! We are very excited to extend the fair hour until 10 PM on Saturday night; giving way at dusk to The Land of Fantasy, Fairies, Myth and Magic.

While the faire is great fun for all, the purpose is more Noble. The Orange County Society for the Prevention of Cruelty to Animals (OSCPCA) and the True Innocents Equine Rescue are two organizations that foster and care for over 15,000 animals within the Orange County area and have been selected to be awarded a portion of the proceeds, There will also be two separate educational theatrical grants presented locally by the Ambassadors of St. Peters Actors Guild.

For Release 9 a.m. EDT, April 19, 2009
