Dear Friend,

TIER very much appreciates your generous and continuing support for our efforts to save and care for homeless and abused horses. Now, we have a simple and easy new way you can provide more support without any additional cost to you!

The attached files contain an Application for an AnimalSafe MasterCard (Action For Animals and Morris) and information about the program. By applying for and using the AnimalSafe MasterCard, you will automatically earn additional income for True Innocents Equine Rescue - TIER. *

The Application can be printed with your computer, filled out, and mailed to the Bank. It is a pdf file which can be opened with an Adobe Acrobat Reader.

If you do not have an Adobe Acrobat Reader, you can download a Reader at no cost to you from <http://www.adobe.com/products/acrobat/readstep2.html>. If you have a version of Acrobat Reader earlier than Version 5, it may not work and you will have to download an upgrade (at no cost). Just click on the address above while you are online and then follow the on screen directions.

Please apply today for an AnimalSafe MasterCard. You will be helping to save so many more animals, and it won't cost you anything extra to do it. If you are using any credit card, you should be using the one that provides income for (Animal organization) rather than just profit for a bank.

* TIER earns an immediate fee of \$10 when you receive your AnimalSafe MasterCard and use it for the first time. We also earn 0.1% on all monthly purchases, cash advances, and balance transfers you make. There is no annual fee for the cards. The interest rate (APR) for the first six months is 5.9%. Thereafter, it is a fixed rate of 14.9%.

Thank you again for your support!
